

**CUTTING-EDGE CAPABILITIES.**  
**SUPERIOR, RELIABLE QUALITY.**  
**DRIVEN CUSTOMER SERVICE.**

No one matches our level of high-quality, innovative custom metal fabrication. Backed by incredible service from a team of employee-owners.

# WHEN IT COMES TO CUSTOM METAL FABRICATION, WE CAN TACKLE YOUR MOST IMPORTANT PROJECTS

Over the past 130 years, Schebler Specialty Fab has done it all while building an impressive reputation as the undisputed leader in metal fabrication. We provide high-quality specialty fabrication at affordable costs, backed by unrivaled capabilities, superior quality and smarter solutions. You can count on us to always meet your precise specifications with metal fabrication that performs flawlessly and puts you first, every step of the way.

## THE FINEST FIBER LASER CUTTING CAPABILITIES ARE HERE

Our impressive array of equipment includes the world's most advanced fiber laser cutting machines. With them, we can tackle any material and any project—from one-off prototypes to large-scale product runs—with unmatched precision and flexibility.

## COMMITTED TO ALWAYS BEING BETTER

At Schebler Specialty Fab, we are known for our industry-leading fabrication services and commitment to constant improvement. How do you make the best even better? With a pledge to always provide:

### UNRIVALED CAPABILITIES

The finest fabrication requires the finest resources. We have the most advanced machinery, plus elite material capabilities, manufacturing skills and custom services.

### DEDICATED TO INNOVATION

Tomorrow's innovations are already here. We embrace the newest techniques, the most modern technology and the most cost-effective solutions.

### SUPERIOR QUALITY

For us, good enough is never good enough. We always deliver the finest in fabrication consistency, precision metal forming and reliability—all U.S. and union-made.

### CUSTOMER-COMMITTED

Our customers come first, every time. As employee-owners, we're committed to long-term customer relationships built on trust and dependability.

## WHERE PRECISE FABRICATION MEETS UNBRIDLED CREATIVITY

With our wide range of services and capabilities, we can complete projects from urgent, high-quality, limited-run productions to one-time fabrications. We tailor our services to where you need them—out in the field or in the office—with customized solutions just for you.

### **CUSTOM METAL FABRICATION**

Our unique designs, materials and specifications will turn your idea into reality.

### **PRODUCTION FABRICATION**

We provide complete production metal services, including cutting, forming and welding, when and how you need them.

### **FIELD SERVICES**

When the job calls for it, we bring our services to you. We offer on-site fabrication services, including installation, field maintenance, ductwork upgrades, emergency repairs and more.

## COMPLEX FABRICATION MADE EASY

For us, no task is too complicated. No challenge is too daunting. We can complete your most challenging fabrications, from design to robotics, and can work with nearly any material.

### **APPLICATIONS**

Count on us for high-quality industrial metal fabrication solutions, top-notch artistry and total project management for an incredibly wide range of applications.

### **PROCESSES**

From design to final assembly, we offer a full range of metal fabrication processes to deliver the highest-quality results at the lowest costs.

### **MATERIALS**

We have the craftsmanship and expertise to handle nearly any width or material strength, including carbon steel, high-temperature alloys, stainless steel, aluminum, brass and copper.

### **EQUIPMENT**

Precision fabrication requires precision equipment. Our machinery is unrivaled in dexterity and capability, including advanced fiber laser cutting, hydraulic press brakes and more.

# **IMPECCABLE REPUTATION. EMPLOYEE-OWNED RELIABILITY. BACKED BY THE SCHEBLER COMPANY**

**Schebler Specialty Fab is a division of The Schebler Company, an employee-owned business with a distinguished history as a customer-centric supplier of unparalleled fabrications, equipment and field services.**

**Founded in 1895, The Schebler Company has made its mark by exceeding customer expectations and providing high-quality specialty fabrication at an affordable cost. As an employee-owned company, every Schebler team member is highly motivated to deliver the best service and finest products.**

**Our facilities comprise 177,200 square feet along the Mississippi River, with 200 highly skilled employee-owners to support our business and serve our customers.**

**MADE IN AMERICA BY A TEAM OF  
DEDICATED EMPLOYEE-OWNERS**
